Patient Information Sheet

PRIVACY POLICY

To ensure correct contact details, and that we are speaking to the correct persons, we will ask your **Name, Date of Birth, and Address** each time you visit.

We will never give out information regarding your appointments, including the date and time of same. We will never give out your results unless you have specifically advised us too.

All of our staff members sign and abide by strict confidentiality rules.

HOME VISITS

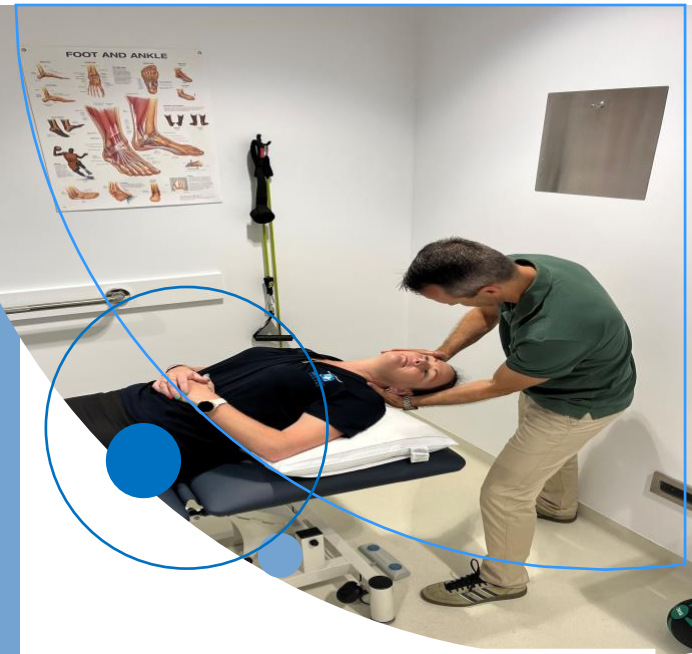

Home Visits are only available by discussing directly with your own GP about that requirement.
